Our Weekly Missionary Focus

Pastor Phil and Beth Bryant are with Assist Church Expansion serving in British Columbia, Canada.

“Our youngest daughter Alissa Graduated from High School and is heading to Bible School. Daughter Lydia is getting married in October and moved to Ripon, CA. Daughter Ana had ACL surgery on July 11 in Europe. Beth flew out to be with her and will stay for a month while she recovers. It was a year ago that we got the diagnosis that Beth had breast cancer. After surgery and radiation she is on a 5-year treatment for her cancer. The past 2 weeks her strength, endurance, and energy have returned to a fairly strong level, an answer to prayer so she could be with Ana. Elijah and Josiah had an incredible school year and we are so thankful God made it possible for them to go to Christian school this past year. God has been so present, so faithful and so kind to us. To see all that God is doing in our lives and in our family how can I help but praise Him. I continue to see God at work as I have taken part in the boot camps and the GCA activities this summer. Continue to pray for me as I schedule my travel for the next year and we work to grow the GCA for 2020 and to finish a strong development plan for Assist. There are many great things God wants to do, praying we can be part of it. “
