Our Weekly Missionary Focus

Pastor Phil and Beth Bryant are serving with Assist church planting and living in British Columbia, Canada. Phil and Beth became career missionaries with the Grace Brethren in 1997 and moved to an area outside of Toronto to serve in the church planting ministry of GBCanada USA. Philip served as part of the pastoral team that launched the first Grace Brethren church planted in Canada in September 1998. Several years later, he and Beth helped launch two more churches in Milton, Ontario and in Surrey, British Columbia. Philip concurrently serves as a member of the Executive Team for Assist Canada with a focus on western Canada. God has given Phil a deep love for people and a strong desire to help people in their relationship with Jesus. Phil and Beth find it amazing to see how God, in His grace, allows them to partner with Him in lives of people in the church and community, and can’t wait to see all that God wants to do in the months and years ahead. This weekend they are attending the wedding of their oldest daughter Lydia in California.
