Our Weekly Mission Focus

Tim and Sharon Simmonds serving with Radius International:

"We are thankful that we were able to open up again at the end of August, with 62 new missionary candidates beginning their training with us at Radius International. We are also thankful that despite one student arriving with COVID, with that family being quarantined immediately upon arrival, it was not spread to anyone else. Please pray that we will remain COVID-free, and that the local health department in Mexico will continue to grant us permission to operate. Please pray for strength and good health for us, as we are in the middle of a very busy schedule. Thank you for your prayers and support."
