Dan and Tori Beaver are missionaries with First Love International serving in the Philippines currently on furlough in Florida. "Praising the Lord that the ministry area we serve in the Philippines was spared from the recent Super Typhoon. We appreciate your continued support and prayers. Thank you very much! We are currently still in the States trying to raise more funds for the ministry needs. Hope to return to the Philippines in late January, Lord willing. The Philippine border is still closed at this time to foreign passport holders. Thank you again for partnering with us. God Bless! On 11/11: Another typhoon. Please do pray as this new Typhoon Ulysses is expected to be passing through a more heavily populated area. The path is just north of Manila, NCR (National Capital Region) area. Samuel: God's Man in Difficult Times

The historical Book of 1 Samuel shows that Samuel, the last of the judges, the next prophet after Moses, was chosen by God to be the pivotal character in this important time. It was a transitional time when Israel went from being a loose confederation of blood-related tribes to being an organized kingdom ruled by a king. It also shows that God uses those who submit to Him and obey His word. Today we will survey three era of Samuel's life and service.

I. Samuel's _____ and _____

A. His mother -- _____

B. The need for _____

II. Samuel's _____

A. It was _____

B. It required _____

C. His greatest _____

III. Samuel's most important _____

A. He warned about the _____ of a king

B. He confronted _____

C. He _____ David

Can people tell that you are a Christian by just _____
you? Samuel was _____ and true to God regardless
of his _____ and _____.
