Missionary Update

Nate & DD Leigh serving with GateWay Ministries: With 90% of our ministry now being on the computer and the Internet: i.e. Zoom discipleships, leadership training, finishing the 4 books I'm working on, and I have been requested to assemble the decades of materials I developed and place them into a digital library for those that are interested in using it to access it, God continues to use us to impact this world and His Body. You have enabled DD and me to use our gifts full time by sharing your finances and time (prayer) with us. We have been given a tremendous opportunity to be the "feet" that join with you in accomplishing the Executive Order Jesus committed to us!
