Mission Update

Joel and Baily Easling serving as our Awana missionaries:

I want to first of all thank you for your direct impact on the lives of leaders and kids around SW Washington. With your partnership, we have seen God at work strengthening the resolve of leaders all over our region. As a result the lives of children, youth and families have been enriched and encouraged in these times. Thank you all again for praying for us and for God's provision during this season. We are blessed to be a part of Awana and what God is doing in building resilient disciples. As you continue to do so, please pray for us as we are helping update trainings for new and seasoned leaders. We want to build stronger leaders than ever before. Also, pray for quality visits and connections with clubs, Directors and Pastors while we see and hear first-hand how they are doing and how we can serve.
