### **Missionary Update**

#### **Perry and LaNnae Pust serving with Missionary Aviation Fellowship and living in Vancouver, WA:**

"We have decided that I need to retire so that I'm more available and not out of town travelling due to the care of mom. We've been talking for a couple of years about when to do this, but now is the time. My last paid day at MAF is Aug 3<sup>rd</sup>. I will be officially done with Mobilization on June 23<sup>rd</sup>. Praise to our Good Lord who has provided a replacement for me. This guy is one of my own recruits and one I fully trust to do a great job at it. LaNnae has decided to join me in retiring this year at the end of school. We'll both be leaving our employment in August! We're just trying to follow God's plans and not our own, so we press forward trusting Him for the future implications of this. We know He has the best plans for us. Thanks for your prayers as we've wrestled through this. God's grace is sufficient! The challenge is to lean on His grace and let it penetrate our lives."
