On January 12th, the annual budget was reviewed line by line, discussed, voted on and approved. The plan is to look at the budget again in 3 or 4 months. Jacob Smith will look at possible repairs/replacement of the furnace in the main building and in the school building. The need for more Overseers was brought up. The ministerial district in Sunnyside has offered to send someone to our church to meet with prospective/interested men to encourage them to become Overseers. The meeting will be January 23rd.

Missionary Update

Joel and Baily Easling serving with Awana: “As this calendar year draws to a close, we are also seeing the end of some things and new beginnings of others. One such thing is our own family shift. We are selling our home and are starting the process of building a new home this coming year. God has blessed us as we’ve considered the need for a larger home, yet wanted to rely on his timing. Now is the time and we’ve found a five acre parcel that we hope to purchase as soon as our own home finalizes in it’s sale (possibly before the new year). We are excited with these new changes and understand there will be tests of our patience, endurance, and wisdom. We are staying in a small duplex/rental. Since our living space has shrunk considerably, we pray for grace as we find ways to enjoy each-other’s company and help our kiddos find enjoyment in Christ and each-other. When our new home is built, we will be able to host family and friends easier, have space for volleyball and games, and pray it will be a place that can offer peace, hope and tranquility to all who grace our threshold. We hope God uses it beyond our wildest dreams to be a safe haven for everyone as He uses it and us for His glory.”
