WELCOME

Missionary Update

Alan and Lucilia Vogel serving with Wycliffe in Brazil: "I am just back from three weeks in the Jarawara village. I took the translation consultant's suggestions for revisions of chapters 7-12 of the book of Daniel, and Bibiri and I made the revisions together. We also asked several comprehension questions to other Jarawaras that the consultant wanted us to ask, and we made some further revisions. I continued distributing the printed New Testament, and for the first time began distributing the sound files of the recorded New Testament. We had already been talking about the possibility of bringing Bibiri to Maceió to work with me for a couple of months, from the middle of November to the middle of January. Please pray that we can find a place for him to stay; our apartment is too small to accommodate him. Because of Lucilia's health, the trip we tentatively planned for August to the US to visit our children and their families in Lexington, KY is now more in doubt than before. At the very least the trip will have to be somewhat delayed. Please by praying for her and her high blood pressure issues."
