Mission Update

Tim and Sharon Simmonds serving with Radius International in Mexico: This is the time of year that the Radius class and program are humming along well. The students are not yet close enough to see the finish line but are right in the thick of making decisions about where to go, who to partner with, what agency to go with and all of their training is starting to come together so that connections are being made from class to class. This is a wonderful time for staff and students in many ways. Pray for them as they savor this time and prepare for the next season that is just a few weeks away.

Happy Mother's Day
