Missionary Update

Elvis and Sulee Tangko serving with Wycliffe in Cameroon: This has been
a busy time for Sulee. As part of the governing board of our organization, she
was in charge of the handover from our previous general director to our new
general director (You can see her sitting behind the table as we welcome our
new director). She was especially honored to do this, as we have elected our
first Cameroonian general director. More importantly than being Cameroonian,
we really feel he is the best person for the job, and we will be praying for him in
this important role going forward. Much of his experience in our organization
has been in Scripture Engagement, and we are excited to have his passion for
seeing people do more than just have the Scriptures, but use and engage with
them in practical and meaningful ways in their lives.
