WELCOME

"So that by two unchangeable things, in which it is impossible for God to lie, we who have fled for refuge might have strong encouragement to hold fast to the hope set before us.
We have this as a sure and steadfast anchor of the soul."

Missionary Update

Dan and Tori Beaver serving with First Love International in the Philippines:

They began a journey of faith and service with a desire to reach the diversely
populated island of Boracay and Aklan starting Shores of Hope. Recognizing
the need to help raise up local leaders that can continue to influence the com-
munity around them, they began building a Bible School and a school that has
continued to grow steadily. Behind the busy tourism that feeds these islands,
Dan & Tori saw impoverished and oppressed children lacking the physical, edu-
cational, and spiritual attention they desperately needed. Through feeding sites
and medical clinics, they found a way into their hearts by caring for their needs
and sharing the love of Christ. Please pray for continued healing for Dan after
his recent knee replacement. He is having a manipulation procedure on 7/22.
