Missionary Update

Tim and Sharon Simmonds: Due to Sharon's Mom's health, we have moved to Florida and are again serving with Ethnos360. We worked with them for almost 30 years before helping launch the Radius program in 2012. Tim will be working on some culture- language, and linguistics-related projects in the International Ministries Office. Sharon will be her Mom's caregiver, and plug into a ministry at the headquarters part-time. Tim will still assist Radius by teaching Phonetics as an adjunct instructor in the Fall and is willing to continue teaching classes in the Spring. We are so thankful for the opportunity to continue serving in significant ways to contribute to making the gospel of grace known among the nations, and at the same time, provide care for Sharon's Mom.
