**Mission Update**

**Philip and Beth Bryant serving with Grace Fellowship in Canada:** It is amazing  
to know that the Word, Logos, God, became flesh and made His dwelling  
among us. That He would come among His creation and for them not to  
even recognize Him. It was because He wanted a relationship with us  
that He came. This same mission God had then in sending His Son, the  
Word, remains. "Yet to all who received him, to those who believed in his  
name, he gave the right to become children of God." To think we can tell  
others of Him, we can introduce them to Jesus and they too can be-  
come children of God. This is why we are here and this is why we con-  
tinue to start new churches in Canada. May we see many brothers in  
sisters, may many join the family of God, by believing on His Name.
