Missionary Update

Tim and Sharon Simmonds serving with Ethnos360: Tim has begun
working with the International Ministries Office of Global Partners. Eth-
nos360 USA is just one of 27 entities that make up Global Partners,
whose objective is to see the Gospel taken to unreached people groups,
and to see churches planted and grown to maturity.
Tim has begun working with the Culture and Language Acquisition (CLA)
Development Team, assisting in the review of "Engage" (an updated,
step-by-step Culture and Language Acquisition manual/program), and
the testing of "Stages" (a new Desktop and Mobile App designed to
work with the "Engage" program to enhance the entire process of learn-
ing another language and culture to a high level of proficiency). Pray for
us as we begin to fit into our new ministries here.
