Mission Update

Elvis & Sulee Tangko serving with Wycliffe Bible Translators in Cameroon and
the US: Earlier last year in Cameroon, we partnered with an organization called Create
International, whose mission is to create contextualized Christian media, to dub movies
they've produced into other languages. Our first project together like this was a
film called "Je Vois Rouge", produced in Togo, and acted in French. Elvis worked to-
gether with a group to do the voice acting and dub it into English. The team worked
really well together, and the English version is now on YouTube. Every so often Wyc-
liffe evaluates and adjusts ministry budgets, based on the increased cost of living and
health insurance costs. Combined with a reduction in financial partners, which natural-
ly happens over time, *we are currently facing a shortfall of \$1480 per month.* We are
asking for prayer in reaching 100% so we can return to Cameroon in June.
