Mission Update

Camp Clear Lake: Thank you to Bob Guinn from Goldendale for coming up to Camp last June to help us remove several hazard trees. Caretaker Josh has been making good use of all the downed trees by turning the into very attractive parking barriers! Several more trees will need to come down eventually. The district ranger gave us the approval to remove them over the next two years. Don't worry, we are only removing the trees that we actually need to. Camp would be a sad place without trees! Our last newsletter mentioned the need for a new standby generator and a new snow pusher for the camp. So many responded with generous donations that we received the full amount needed! We thank God for supplying all of our needs!
