Mission Update

Water for Good: Water is a universal symbol of life, cleanliness, and a fresh
start. The Gospel of John explores these symbols and shows us water is help-
ful **for cleansing** (John 2:6), **healing** (John 5:2-4), and **sustaining life** (John 4:13-
15). John brings this imagery to a crescendo when Jesus is crucified. He records
that blood and water flow from the side of Christ. John wants us to know that a
fresh start, renewed life, and healing are available in Jesus through the cross.
When we come to a community and install a water access point, we leave be-
hind a symbol and reminder of God's love. The local churches we partner with
help communities learn about healthy habits and God's love.
