Missionary Update

Elvis & Sulee Tangko serving with Wycliffe Bible Translators in the USA & Cameroon: After 8 months of home assignment, we have just 3 months left. We have begun our shift in perspective as we now start looking to return to Cameroon and preparing for transition. There is a line in a children's book we love that says, "You can be happy and sad at the same time... It just happens like that sometimes." Right now, we're definitely more happy than sad, as we are all thinking about our home in Cameroon and all the things we are looking forward to. Pray for us (the kids especially) as we get closer to leaving and the reality of leaving behind their Nana and Papa, aunts, uncles, cousins, and friends for another 3 to 4 years sets in.
