Missionary Update

Goldendale Pregnancy Resource Center: Our nurse continues regular in-person ultrasound training, and we continue to work on other background preparations, like policies and procedures. If it is the Lord's will, we may be able to launch services within a few months. Please pray for continued wisdom, energy, and more volunteers as we will need to expand our hours in order to better meet the needs of clients. For those who are thinking of volunteering in a client-facing role, or who want to learn more about Pregnancy Decision Coaching, we will be doing six evenings of in-depth training during the first two weeks of June (dinner provided!). Thank you for your continued prayers and support! God is good.
