Missionary Update

Epic Youth Center is a vibrant local ministry focused on bringing about emotional and spiritual life change for the youth of Goldendale. We achieve this through engaging social and physical activities designed to instill hope, character, and confidence. Our regular programming includes game times twice a week, along with exciting special events like our Spring Break Bash, Soccer Camp, and Water Wars. Each activity provides a valuable opportunity for deeper conversation, using biblical truths to help develop core character traits in our youth. We actively partner with members from local churches to reach youth who may not currently attend church. Through these relationships, we're able to speak truth into their lives, introduce them to the Gospel, and extend a warm invitation to join our church community.
