Missionary Update

Tim & Sharon Simmonds serving with Ethnos360: Greetings from Sanford, Florida! We are grateful to be part of the Ethnos360 headquarters team, whose overall goal is to support Ethnos360 missionaries and other Global Partners missionaries around the world in their mission to establish indigenous, reproducing, maturing churches in unreached people groups. **Road Trip to Missouri, to the Ethnos Missionary Training Center (ETC)** We plan to begin driving to Missouri on **August 24th**, to the ETC, which is located on the Lake of the Ozarks, where we previously served for 10 years, helping to train missionary candidates. Tim will be helping out with a 5-week course there until the end of September. We are thankful for our daughter, a couple of Mom's friends, and Sharon's sister, who plan to help out with visiting and caring for Mom while we are away. We praise God that there was a 30% increase in applications for the ETC this year!
