**Missionary Update**

**Elvis & Sulee Tangko serving with Wycliffe in Cameroon:** Once we arrived back in Cameroon, we just hit the ground running - Elvis back in his role in Media, and Sulee beginning right away with the responsibilities of school administration. We've had so many positives to coming back and we're also experiencing challenges. Please keep us in prayers: Elvis - Working on a 3 week dubbing project for one language and they are off to a rough start. Pray for the team as they encounter electricity, weather, and travel issues. Sulee - After working long days to prepare for the start of school, school has now started and it's still pretty busy and stressful. Georgia - Could use a friend her age. Her only friend went on furlough, and she's starting full-time school, which is still a bit much for her. Avi - Loving school and enjoying time with friends. Praise God one of us is thriving!
