Missionary Update

Epic Youth Center: Epic Youth Center is a vibrant local ministry focused on bringing about emotional and spiritual life change for the youth of Goldendale. We achieve this through engaging social and physical activities designed to instill hope, character, and confidence. What makes Epic Youth Center unique is that each activity provides a valuable opportunity for deeper conversation, where we use biblical truths to help develop core character traits in our youth. We actively partner with members from local churches to reach youth. Through these relationships, we're able to speak truth into their lives, introduce them to the Gospel, and extend a warm invitation to join our church community.
