Missionary Update

Dan & Tori Beaver serving with First Love International in the Philippines:
Excitement fills our hearts for the passion of our MASA Ati tribal students who are venturing out into the interior of the mountains to take the gospel message to other tribal people. Not only are they going into the mountains, but they are also following God's prompting to leave their homes and launch native boats to cross ocean waters to remote neighboring islands. On these isolated islands, there are other tribal people who may have never heard the message of salvation before. Our spirits are overcome with joy to see these Ati students have so much passion for our Lord and for sharing their faith, especially in hard-to-reach places. Tribal people reaching other tribal people!
