Missionary Update

Joan Justiniano serving with Encompass in the USA & Japan: I arrived back in Japan August 30th with Bri Gadaire, who is in the process of raising support to serve in Japan full-time. We are with Kenji Husen in Yamanashi where Bri will move after language school. She has been meeting Kenji's contacts and helping with ministry here as she gets a better feel for what her ministry will look like. **Please pray** for the rest of her support to come in this fall. **Please pray** for the Holy Spirit to work in all of us—Encompass staff, appointees headed to Japan, Encompass leaders, and national partners—leading and directing us as we seek to serve Him faithfully to reach Japan with the gospel. **Thank you** for partnering with us in this endeavor.
