Missionary Update

Joel & Baily Easling serving with Awana: The last few months have been chock-full of meetings with pastors and ministry leaders, and planning for upcoming events and trainings. What a joy to see churches celebrating God's work, prepping for greater impact and seeking His guidance in the midst of loss and/or trials. We held our Resilient Child Discipleship Training in May and trained 26 leaders from around Western Washington and Oregon. All left with a renewed vision and practical tools for investing in the next generation. We also served at Pacific Northwest Camp where 110 campers were fed, uplifted, and challenged to live "Real Faith in Real Life." Pray for our new reinstated club as we help equip them to start this year with a growing vision for gospel outreach and discipleship; the next few months as we have gatherings and trainings and are in the process of building our home; and the 10 new financial supporters to partner with us to meet our monthly needs.
