Please see Jon Vietti if you have questions!

You may put your offering in the marked wooden box on the small round table at the back of the sanctuary.

*Women's Bible Recap Study, led by Anita Wirick, is taking a short break January 26th and February 2nd as Anita will be out of town. Bible Study will resume the following week on February 9th at 10:00am.*

Bob Moen is looking for a few more people to be part of the Coffee Team rotation each month. If you are interested in serving the coffee before the service begins and are willing to be on a monthly rotation, please contact Bob!

Jenny Smith is looking for more people who would like to join one of the Worship Teams. If you sing or play an instrument, you are more than welcome! Commitment can be minimal—possibly one Sunday per month. Please contact Jenny if you are interested in serving in this ministry!

### Missionary Update

**Water for Good:** At Water for Good, we aren't evangelists. We're more like pre-evangelists. Our work shines a light on the God who created and loves all people. Local churches, active in the communities we serve, are the real evangelists. This is why partnering with them is core to our mission. Water for Good teams train local church members to educate and equip their own community in the best WASH (water, sanitation, and hygiene) practices. Often, church members' conversations with their neighbors lead to deeper spiritual conversations, which bring people to Christ. As an organization, we are sometimes prohibited by local laws from engaging in evangelism, which is why our church partnerships are so vital. Whenever a major project is completed, we compile pre/post-survey data to track the difference we made in local communities.
