There are several missionary birthday and anniversary cards ready to be signed on the cabinet under the world map in the back. Signing them is a great way to encourage our missionaries.

Missionary Update

Dan & Tori Beaver serving with First Love International in the Philippines: There are some who faithfully support this ministry, however without support from people like you, the Ati children may never experience what God has in store for Clarissa and her peers. If you are one who would like to consider helping provide hope and a brighter future for the Ati tribal people, who have faced discrimination for generations, now is the time to break the cycle of poverty, loss of hope, and despair. Please consider saying "yes" and offering a little of what you have to bring hope to so many Ati children and their families. If you would like to pray for and/or support a teacher at the MASA Ati School, please reach out to us, Dan and Tori Beaver at datori@shoresofhope.com.
